For the month of June, the username of our Exceptional Simio Insider is..... \*drum roll\*

@MEagar

What qualifies someone to be Simio Insider of the Month?

A person who:

Actively engages in the Simio Insider forum by providing helpful information to others.

Provides shareable demonstration models or example code.

Asks thought provoking question about simulation and simulation-based planning and scheduling.

@MEagar , we will send you your certificate via email.

Happy posting!
